

XP Fit Plus[®]

Field Installable Connector

Easy installation in under 2 minutes

▶ 1 Cutting Fiber ▶ 2 Inserting Fiber ▶ 3 Take Out Connector

The SENKO XP Fit Plus is a pre-polished, pre-assembled connector compatible with standard SC and LC connectors. No epoxy is required as an internal mechanical grip effectively holds the fiber in place and can be installed in under two minutes. Without polishing or adhesives, the XP Fit Plus makes on site installations quick and easy, diminishing the need for epoxy curing and hand polishing at the work site. The XP Fit Plus comes with an assembly jig and fiber holder for 250µm and 900µm tight buffered fiber, ensuring accurate alignment and fiber cleave when terminating.

The XP-Fit Installation Kit contains everything needed for installation of the SC and LC XP FIT PLUS connectors. No epoxy, polishing film, or other consumables are required, and there is no need for electrical power.

FEATURES

- Mechanical Splice (index matching gel)
- Highly Stable & Reliable
- Perfect Performance
- Compact Package
- RoHS Compliant
- Finished Connector meets UL94-V0 Flammability Rated
- TIA/EIA 568-C.3 Compliant
